

## Another Strong Straw Poll for Larry Kobrovsky

May 1, 2010 -- Larry Kobrovsky continued his string of strong straw poll showings with a solid second place at the Berkeley County Republican Breakfast on Saturday. He finished well ahead of two candidates with the biggest names in the race for Congress."

"Kobrovsky received 25 percent of the vote to show the kind of support and success in Berkeley County that he has found in Horry County. He won the Carolina Forest Republican Straw vote on March 30 and finished in a statistical dead heat at the top at the Myrtle Beach Tea Party event on April 15.
